Form 990-EZ, Part I, Line 6b - Like so many other non-profits, our fundraising program was affected by the uncertainty the pandemic brought to our communities. We were scheduled to be the benefactor of a golf tournament that was cancelled.

Form 990-EZ, Part I, Line 16 - Other Expenses: Directors and Officers, Workers' Compensation, and Professional Liability insurances, office & moving supplies, small office equipment, staff and board training, information technology. This amount also includes fundraising expenses of \$596 for auction items assembled for the golf tournament that was cancelled due to the pandemic.

Form 990-EZ, Part II, Line 24 - Accounts Receivable, Beginning of Year - Fundraising campaign funds due from fundraising platforms to Blueprints of Hope (Flipcause \$2,415 and Facebook \$2,800); Other Assets, End of Year - \$125 unused gift card; \$1,350 facilities lease security deposit.

Form 990-EZ, Part II, Line 26 - Total Liabilities, End of Year - \$2,977 Paycheck Protection Program loan received 4/28/20.

Form 990-EZ, Part III, Line (28-31) - Form 990-EZ, Part III, Line 28, Oncology Nurse Navigation Program accomplishments: This community-based program is provided by a professional oncology certified nurse navigator and supported by volunteers who provide peer-to-peer mentoring, as warranted. Because we exist in an under-resourced area, our personalized navigation service plays an important role in helping to decrease the distress patients and their loved ones may experience throughout their cancer journey. Our free guidance is directed at identifying an individual's informational, practical, physical, and emotional needs, and the barriers to accessing medical care. We then connect them to the resources that meet those needs. These services are provided to augment the support our patients receive in a clinical setting. People learn about us from print collateral we've distributed throughout Southwest Colorado, including libraries, health-related agencies and businesses, churches, social media, and by word of mouth. In relationship to the pandemic uncertainty, the people we serve were not in public places, and some were not even getting their cancer screenings, or recommended follow-up care. Related to this, we had a significant decrease in referrals to this program. The people who did contact us, did so via telephone or e-mail, through our website. We had 112 navigation contacts in 2020, which is a significant decrease from the prior year. Some of our expenses included books for our borrowing library, \$7,011 for staff time, some office supplies, and a portion of our facility charge. The feedback we get from the people we serve is consistently positive. Form 990-EZ, Part III, Line 29, Survivorship Program accomplishments: Besides our community cancer navigation and Live by Living Hiking program, we provide free programs and services that include education, community cancer navigation, emotional support, social activities, mind, and body programs that provide hope for people with cancer and their loved ones. We support all people experiencing cancer in our communities to become healthier and live better lives and provide all programs and services free of charge to cancer patients, survivors and families impacted by cancer in Southwest Colorado. Our survivorship programming typically includes workshops, educational workshops, and classes such as Yoga for Healing and Qigong for Health for people with any phase of cancer, and their caregivers. Because of the pandemic, the people we serve are typically immunocompromised and at significant risk, we suspended indoor programming for 2020. Our website provides educational and informational support at diagnosis and beyond, sharing next steps which can help decrease the fear and distress associated with any phase of a cancer diagnosis. We have much information about where to find resources to help meet the needs of people who live in our rural communities of Southwest Colorado. The expenses incurred with Survivorship programming are related to a portion of our facility expenses. Form 990-EZ, Part III, Line 30, Live by Living Hiking program accomplishments: Our collaboration with the Live by Living hiking/snowshoe program designs hikes for people who are primarily in the post-treatment survivorship phase of their cancer journey and/or their caregivers. The tenet of the Live by Living program is that by combining companionship, social support, physical activity and nature, a synergy is created that will assist participants to improve their quality of life as they deal with the variety of issues living with and beyond a cancer diagnosis presents. This program provided over 50 mountain hikes and snowshoe outings in Southwest Colorado for 130 people, which were led by 12 volunteer hike leaders, giving 122 hours of volunteer time. This translates to \$3,318 of in-kind service. We were able to continue our hikes, which were held remotely and in nature, socially distanced, with face masks for much of 2020. Expenses were just \$20, because our hiking equipment needs were expensed in prior years.

Form 990-EZ, Part IV - Most of the Executive Director/Founder/Oncology Nurse Navigator's income is donated to Blueprints of Hope but is not shown as an in-kind expense. This translates to in-kind service of \$45,260 for 2020.
