Our mission is to ensure that all people impacted by cancer are empowered by knowledge, strengthened by action, and sustained by community.

**Form 990-EZ, Part III, Line 28 - Statement of Program Service Accomplishments**

This community-based program is provided by a professional oncology certified nurse navigator and supported by volunteers who provide peer-to-peer mentoring, as warranted. Because we exist in an under-resourced area, our personalized navigation service plays a critical role in helping to decrease the distress patients and their loved ones may experience throughout their cancer journey. free guidance is directed at identifying an individual's practical, physical, and emotional needs, and the barriers to accessing medical care. We then connect them to the resources that meet those needs. These services are provided to augment the support our patients receive in a clinical setting. People learn about us from print collateral we've distributed throughout Southwest Colorado, including libraries, health-related agencies and businesses, churches, social media, and by word of mouth.

In relationship to the ongoing pandemic uncertainty, the people we serve were not in public places, and some were still not getting their regular cancer screenings, or recommended follow-up care. Related to this, we experienced a continued decrease in referrals to this program over pre-pandemic years. Most of the people who did contact us, did so via telephone or e-mail, or through our website. We had 120 navigation contacts in 2021, which is slight increase from the prior year. Some of our expenses included books for our borrowing library, \$7,035 for staff time, some office supplies, and a portion of our facility charge. The feedback we get from the people we serve is consistently positive and is a much-needed resource in the regions we serve.

**Form 990-EZ, Part III, Line 29 - Statement of Program Service Accomplishments**

Our free survivorship programming typically includes educational workshops, emotional support groups, social activities, and healthy lifestyle classes such as Yoga for Healing and Qigong for Health for people with any phase of cancer, and their caregivers. The people we serve are typically immunocompromised and at increased risk, so because of the Pandemic our indoor activities were suspended for 2021.

Our website provides community outreach with educational and informational support at diagnosis and beyond, sharing help for the next steps which can help decrease the fear and distress associated with any phase of a cancer diagnosis. We provide information about locating resources that can help meet the needs of people experiencing cancer who live in our rural communities of Southwest Colorado. In 2021 We had 950 users to our website with 2,979 page views.

The expenses incurred with Survivorship and Community Outreach programming are related to a portion of our facility expenses, as well as keeping our website resources updated.

**Form 990-EZ, Part III, Line 30 - Statement of Program Service Accomplishments**

Our collaboration with the Live by Living hiking/snowshoe program designs hikes for people who are primarily in the post-treatment survivorship phase of their cancer journey and/or their caregivers. The tenet of the Live by Living program is that by combining companionship, social support, physical activity and nature, a synergy is created that will assist participants to improve their quality of life as they deal with the various issues living with and beyond a cancer diagnosis presents. This program provided over 10 mountain hikes and snowshoe outings in Southwest Colorado for 125 people, which were led by 12 volunteer hike leaders, giving 125 hours of volunteer time. This translates to \$3,914 of in-kind volunteer service. We were able to continue our hikes, which were held remotely and in nature for 2021. Expenses were minimal because our hiking equipment needs were expensed in prior years.
